"Earth Mother New Moon Crystal Bowl Ceremony"

The energy of the **new moon** is the boundlessness of divine feminine potential to create and manifest our intentions. Join us with the **crystal singing bowls** to honor our Inner **Mother** for self-nurturing and our connection to **Mother Earth** to deepen the security of being grounded and safe in the moment. We begin by activating and clearing our chakra energy centers with specific mantra tones using our own voices.

Come blend with the **new moon** energy and powerful sound waves of the **crystal singing bowls** to permeate our entire being and materialize our desires.
